Cherry County 4-H/FFA Livestock Sale is a Terminal Sale.

SALE FORMAT: Valentine Livestock Auction determines the market price per pound, which will be multiplied by the animal weight. This results in the base price per head ("floor price"), which will be listed in the sale catalog for each animal. The auction starting bid will begin at the base price. Any amount buyers bid over that amount will be considered the "premium" (winning bid - starting bid = premium paid) . The total of the floor price plus the premium amount bid is the amount the 4-H/FFA member receives. *If you would like to see the exact base price of a lot CLICK ON "VIEW LOT DETAILS", and it will be listed as the starting bid.*

Base price (floor price) Beef \$1.05/lb. Sheep \$1.10/lb. Goat \$2.00/lb. Hog \$.40/lb.

BUYERS have THREE OPTIONS when purchasing/donating money toward the 4-H/FFA member's project.

1. Pay the full price (Winning Bid) and have the animal sent to Valentine Locker or Husker Meats for processing. Additional processing and packaging fees are due to the respective Locker. (**DISPOSITION CHOICE:** VALENTINE LOCKER or HUSKER MEATS)

2. Pay only the premium amount bid over the base price (winning bid - starting bid = premium paid) and Valentine Livestock Auction will buy the animal back at the base price. (**DISPOSITION CHOICE:** BUYBACK)

3. Donation (**Add-On**) Any amount can be donated anonymously to a lot. This amount will be in addition to the premium amount paid by the winning bidder. Add-ons can be given from the opening of the sale until 48 hours after the sale closes on Saturday Aug 8th at 5 pm. (Monday at 5 pm add-ons close)
