Last Name Jaworski

FFA Chapter or 4H Club Name Angel Fire 4H

Validation Tag or Show reference# 609

County El Paso

City Peyton

Description

Hello my name is Evan Jaworski. I am in Angel Fire 4H club and this is my sixth year of 4H. This year my 4H projects are show chickens, market turkeys, and market ducks. I like to build models, build Legos, fish, camp, play video games, and spend time with my animals. This is my duck Lefty, he was the reserve champion market duck. I am raising Muscovy ducks which have a darker, leaner meat than most traditional market ducks. I chose them due to their calm and quiet personalities. The males are significantly larger than the females in this breed, so I focused on raising males for fair. I started them on the same market grower which is 28% protein and then at 8 weeks started mixing market grower crumbles which is 24% protein with all flock pellets which are 20% protein. I mix them because they like the pellets better and it encourages them to eat. This year has been very different for 4H, but I have still enjoyed working with my projects. I am glad that we get to still have a fair, and hope to meet you at the auction. If you can't make it in person I would like to say thank you for supporting 4H.
