Description

Hello,

My name is Rebecca Kragel, I am 14 years old, and am in the Edison Drylanders 4-H Club, and have been showing Market Swine for two years. I have one Barrow and one Gilt. Their names are Bambi and Thumper -I am selling Bambi- and their breeds are Berkshire-Hereford cross. My family and I have spent countless hours working on improving this year from the last in many different ways. This year for my Market Swine, has really touched my heart, I've noticed how they act around me compared to strangers, and so much more. It's kind of hard to explain. I look forward to this next year for the same relationship I can grow with my next pigs. They are so much more cooperative when you grow a relationship with them, and spend time each day on the basics - walking, brushing, washing, ect..

I am very grateful that I have had the amazing opportunity to participate in 4-H. I am disappointed that we can't talk face to face, but that doesn't stop me from thanking you for reading this. Thank you so much for your time, I wish you the rest of your summer be filled with joy. Any add-ons are much appreciated!

Sincerely,

Rebecca Kragel
