## **Description**

The name of my goat is Muscles, he is a Boer Cross. I have been in 4-H for 6 years and my favorite part of the Market Goat project is being able to get the goats to trust me and getting to work them everyday so, they can build their muscle. This year in 4-H I have learned that you can still have a somewhat normal year as long as you have fun. Something unique about me is that I like to build rat rods with my dad.
