### **Description**

Hello! My name is Natalie Parks, I am selling my Reserve Grand Champion market steer in the El Paso County Jr livestock sale! I have been in 4h for 11 years and this is my 9th year showing steers. My steers name is Benson and he weighs 1445 lbs! I would like to thank everyone in advance for participating in the virtual sale and helping myself and other 4h kids in these uncertain times! My favorite part of the 4h year by far was taking Benson up to the National Western Stock Show to show him in the prospect show! He calmed down a lot more while up there, and stock show is an amazing experience for sure. Benson has been a handful, but definitely an amazing project for me throughout the 4h year! He is a big teddy bear with me even though he is huge! I enjoy playing with my dog hannah, and helping out on the family farm! I hope to have my own cattle herd someday, I have a charolais heifer of my own that I showed at County fair last year, she will have her calf soon! I am about to go into my senior year of highschool, and I plan to attend either the Colorado School of Mines or the

University of Arizona to study Architectural Engineering. I have been saving my money I've made from the Jr. Livestock Sales for as long as I can remember. Doing this will help out with my college tuition! My family and I fatten other steers up to sell and our meat has been graded as prime, so you won't be disappointed! Thank you again!
