### **Description**

My name is Abigail Baca and this is my second year in 4H, first year with pigs. When we got the pigs it was hard to walk them and I always got frustrated but I never gave up. As they were getting older it was getting easier to walk them. It paid off because I earned Grand Junior Showman! I named this pig Molasses. I love my pigs but sometimes they escape from their pen. I always try to ride them and they get crazy when I do but I think they like it. When they come out to exercise I make sure they do not play in the mud otherwise I have to give them a bath. The mud can clog their pores which is not good for a showpig. Did you know mud is sunscreen for pigs? My pigs live in a barn so they don't need it. I love to sit and brush them and watch their tails wag. I did my best to make my pigs happy. I can't wait to raise more pigs next year. Thank you for looking at my listing and stay healthy!
