## **Description**

My name is Bethany Baca and this is my second year in 4H, first year with pigs. When I first got my pigs I had to feed them twice a day. Now I have to feed them three times a day! I named this pig Melody. Pigs were hard because they would break out when they were bored. It would make me so mad but I would just take that as their training time. I would walk them twice a day and clean their pen everyday. Sometimes I would just let them come out and play because it would make them so happy. The best time with my pigs is when they are tired from exercise and I can just sit with them and brush them. It makes them so happy! I had so much fun with them and 4h. I am sad that it is almost over and can't wait for next year. I learned so much and had so much fun. Thank you for your time and consideration.
