Description

I am Adam Baca and this is my third year in 4-H and first year in meat birds. I named this trio Moe, Larry, and Curly. I took 12 to fair and this broiler trio was the best! I got grand champion with them. I first started with 15 of as chicks and when they were three weeks old I moved them into two groups; one fryers and the other broilers based on their weights. I continued to monitor their weight gain and adjusted their feed accordingly. I gave them baths and changed out their bedding every few days to keep them clean, healthy, and happy. It was a lot of work but I enjoyed doing meat birds and I am going to do them again next year. Thank you for your time.
