### Description

Hi y'all, my name is payton and this is bentley! For the last 8 months I have spent countless hours working with my animals to prepare them for show. I have had to work two jobs to support them and I would do it all again! It has been such a privilege to be apart of my high school ffa program, it has taught me so much responsibility and prepared me for my future. I have been the soul caretaker of my animals. I have taken care of them before school everyday and for several hours every evening on my own. I am saddened not to be able to show at houston or montgomery county this year. I want to continue my ffa projects and raise again next year, any help I can get towards my lamb would be so appreciated!
