Description

My name is McCarthy Sullivan and I am eight years old. This is my first year in 4-H. Actually, I have been showing in the Pee-Wee class since I was three years old and have never been nervous or afraid. I have spent all my summers helping at the El Paso County Fair with my dad Craig, sister Skye, my cousins and friends. I love 4-H and I have been waiting for this year for a very long time.

A little about me; I'm really funny, I love ALL animals, and I like to talk a lot. I have missed seeing everyone from 4-H but it has been a great excuse to spend lots of time with my fair projects.

I would like to tell you about Marshmallow, my Market Swine for sale. She is a Yorkshire Gilt that I have been raising since March. I also have a Duroc named Brownie that I raised with her. The best part about raising Marshmallow is the time I was able to spend with her and watching her grow every day. She is very gentle and loves to chew on my boots.

To help me prepare for fair, I participated in a virtual show and worked extra hard on my showmanship skills. I learned how important it is to feed measured amounts twice a day, worm her often and always make sure she has water. Because she is a Yorkshire, I have to keep her cool with the hose and sometimes put sunscreen on her when it's really hot. The most frustrating part has been walking her in the last couple of weeks, and teaching her to get in the trailer. She has gotten very big, smart and stubborn. She likes to run away and get in the duck pool. The hardest part about raising her is that I have to sell her after taking such good care of her for all these months.

Marshmallow and I learned a lot and she made me very proud at fair. I can't wait to do it again next year. It was a wonderful experience and I would be honored if you considered supporting any of the 4-H exhibitors.
