Description

Hi my is Meaghan and i got my white face steer Mikey in December. When i got him he was tiny and very skidish of people. After a few weeks of work i got a halter on him and from then on he has become a happy and well mannered steer. He also gained a lot of weight and got a bit taller but is still short compared to other steers. Hes a pretty lazy steer but walks well and stands nicely. Over all he is a pretty nice steer and has a good personality.
