### **Description**

Good afternoon, My name is Taylor Kapphan and I am a sophomore at James Irwin Charter High School. I have been showing in 4-H since I was 8 years old. Projects I have done are market beef, swine, goat, horse, poultry, guinea pig, cat and robotics. Today I am selling my goat, Chip. He is one of the 2 goats I showed this year. He has been a very noisy goat but lots of fun to work and play with. Goats are my favorite project to do because they have so much personality and they do not get very big. Please consider Chip when making your purchase and Thank You for supporting 4-H.
