### **Description**

Sup Busters! I'm going to talk about my pig, Daisy, and the fun times we have had together! For one, when our eyes met, I knew exactly what her full name would be.... Daisy D. Oreo! Why that name, you ask? She is a Hampshire and looks exactly like an oreo cookie! Daisy loves to give me goofy looks and when she is really being funny she sits like a dog and sticks out her tongue. Daisy has been my easiest hog to teach to drive. I walk her almost everyday, some days I give her a day off. Whenever we are

done walking and its bath time, Daisy digs herself a hole with her snot and blows bubbles. Every now and then she gets spooked and runs around the mud hole as fast as her fat butt can go. I love Daisy but am excited to sell her and start saving money for my next years hog, Bacon 2.0.
