Description

Bacon for breakfast! Christmas ham! Country ribs! You can have it all! This pig was raised in the happy sunshine (plus some snow in June). My name is Henry and I raised two pigs this year. I hope you bid on this pig, Gilda the gilt. It was the fastest at running in circles and racing through the pasture every morning. My mom always says it's sad to eat animals that were raised miserable and mean and that I should give them the best life I can. This is my first year in 4H and I really loved learning how to raise a pig. My dad and I built a pig tractor which is a safe, shady, shelter that can be moved to fresh area of pasture every morning. You can see a video my mom took the day we finished it. If I get a lot of money from this sale, I will definitely raise more pigs next year.
