### **Description**

Three of a kind!

This trio of Cornish X Rock chickens is ready for your dinner table. My name is Allison and I'm a member of the Golden Prairie 4H club. We have a great time at our monthly meetings doing stuff like highway cleanup, valentines for the senior center, and practicing leadership. At home, I work hard on my poultry project making sure these chickens get lots of time in the pasture, lots of healthy feed, and fresh cool water. It all started with a trip back from the post office holding a box full of noisy, peeping chicks. I got them started with a dropper full of honey water and now about 10 weeks later, they are fully grown. Please check out the pictures and thank you so much for bidding on my project. Your support is appreciated in this unusual year. Thanks for sticking with us 4H kids.
