Date of Reported Weight 07/15/2020

City Yoder

Description

Hello, I am Josh Yoder and I want to invite you to participate in the El Paso County Jr. Livestock sale, July 18th. This is my 8th year in 4-H and my 7th in the market beef project. Over my years of doing 4-H, I have completed many projects such as; shooting sports, videography, cooking, breeding beef, and last but not least market beef. Going into 4-H I wanted to take advantage of the opportunities that it gave me, so I decided to do different projects every year. But among my projects, my favorite has been the beef project. In both the breeding and market project, I have created some great memories and pets over the years. However, my favorite thing in the beef project has been going to the fair, where I have made some of my closest friends.

This year my steer is an Angus cross named Shawn. Has been a great calf, breaking to lead easily and has been an easy keeper. He has been an enthusiastic eater and I'm guessing his live weight will be over 1200 pounds.

Quantity: 1
