Description

My name is Liam Dolan, I am 11 years old, and this is my first year in 4-H. My family has raised hens for the past 8 years. I am energetic, creative, and career minded. I hope to become an engineer in the future. 4-H has taught me about handling a business. I have also grown in my knowledge about chickens. I decided to do a poultry project this year, so I could learn more about how to handle a business by raising chickens. I have learned the important of persistence, dedication, and hard work through this past year.
