## **Description**

Hi, My name is Katrina Ludwig. I am 16 years old and have been doing 4H for 8 years. This year I showed Dairy Goat, Pygmy Goat, Market Lambs and Market Goat. This year I am selling one of my goat names Tyson at the Jr. Livestock sale. I took a year off from 4H last year but am so excited that I got the chance to come back and do what I love. It's been a strange year but with getting out of school early I had a lot more time to work with my animals and really bond with them. I have learned so much from 4H in all aspects of life and will continue to learn more!

This year for the auction I am selling my market goat, Tyson, he weighed in at 94 lbs. This was my first year doing market goat and I have enjoyed the experience of working with them and showing, I cant wait til next year when I can do it all again!
