Description

Bacon or sausage for breakfast, ham sandwiches or brats for lunch, ribs or pork chops for dinner. Oh, the choices that are ahead of you. Luckily, I am here to help! My name is Marshall Crippen and I would like you to meet Dottie a York cross gilt. She is 245 pounds of superior pork. I have fed her a high-quality hog ration to ensure the best product available. She has gained 200 pounds since I picked her out in March averaging 1.8 pounds per day. This is my first year in 4-H and first year showing hogs. Dottie has been so much fun. She loves our evening stroll to build her muscle. We drive in the pasture to visit the cows or out to the garden but I think her favorite stop is to get a vanilla wafer for a job well done. Dottie and I appreciate your support and thank you for viewing our page.
