Description

Welcome! Here is a special Simmental/Angus, "Simangus" market steer. My name is Trey and I appreciate your bids and add-ons for my beef project. I chose this steer for his balanced movement and ideal side profile. I call him "Inigo Montoya" and work daily to keep his trust as he tends to be a little on the haughty side. This steer has taught me about committing and caring for something fully while accepting its purpose. I was able to get my start and purchase Inigo with my proceeds from the catch-a-calf program of the National Western Stock Show. Here, the Junior Livestock Sale Committee has worked hard to connect kids and buyers and I hope today's proceeds will allow me to purchase additional steers so I can continue to produce quality beef right here in El Paso County *for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.*

"Agriculture is the most healthful, most useful and most noble employment of man." – George Washington.

Thank **you** for supporting agriculture!
