Description

Hi, my name is Jarett Phillips and I am a member of the Lone Star 4-H club. This is my 6th year in the swine project. I am also enrolled in the crop and foods and nutrition project. I enjoy the swine project as this gets me involved with my family. This year I got to teach my little brother about the swine project and be a leader to him.

I enjoy going out to my grandparent's farm and helping my uncle farm and work on equipment as well as baseball and football. Farming simulator is my favorite video game as it teaches me about farming and I get to buy equipment that I have dreamed about.

Thank you for supporting me and the Douglas County 4-H livestock projects.
