Description

Home grown from start to finish. Meet Rock-It, my 2020 4-H Market Steer Project. The day he was born I knew I wanted to use Rock-It for my steer project. He had sass and spunk and is a beautiful Crossbred Black Baldy. He is now 16 months old and I have been working with him since he has been weaned last fall. As soon as I walk out the door and he sees me he starts hollering for his breakfast or dinner, he enjoys a nice bath and loves to share a banana and a Dr. Pepper with me when we finish our day. Rock-It is my first Market Steer Project, I really enjoyed doing steers and plan on doing it again. I love raising our own projects. Hope your steaks are great.
