Description

Hello buyers, I hope you are all doing well especially in these uncertain times. My name is Colton Pool and I will be selling my swine project Betty. This is a very sweet pig that enjoys running around and getting dirty in the mud. I have never had a pig so well trained before. My pig would enjoy hearing me open the barn door every morning and evening and would always get excited to get fed and to go on walks. I am a part of the Rye FFA chapter and I have been showing for 5 years. I believe that being able to raise livestock for show is a great opportunity to learn and grow as a person and I think every kid should get this chance at least once. Thank you all for taking time out of your day to participate in the 2020 showcase sale.
