First Name Christen

Last Name Larson

FFA Chapter or 4H Club Name TownandCountry4H

Validation Tag or Show reference# 5028

County Cherry

City Valentine

Animal Weight (in Pounds) 54

Description

This march wether goat has the longer leaner body style that is typical of boer goats. This goat was interesting with a mind of his own. He is the typical curious goat.

I learned a lot more about care and fitting all of my animals this year. We used my last years premium money to bud this shelter for my goats and sheep.

Quantity: 1
