### **Description**

Meet my barrow Ringlet. I got Ringlet from Cramer Farm in Anselmo, Nebraska. He is a Yorkshire, Hampshire cross with a big white dot on his back. Ringlet is a big goof ball! One of the funniest things about him is he will run wildly down the ramp when coming out of the pen, fall onto his side and lay there for a bit. He likes to run and spin around while I'm cleaning his pen but when it is time to come back in he is usually always the first one. When working with Ringlet I learned that the pig's snout is very strong and they use it to move things around and root in the dirt. I really enjoyed caring for this funny hog.
