## **Description**

Hi my name is Aubrey Benson. I am 12 years old and I have enjoyed raising pigs for 4H for the past 4 years. This handsome red Durok's name is Husker and has been so fun to raise! His floppy ears and long tail are unique. Husker's gentle personality makes him easy to love. I learned that raising pigs means hard labor such as filling the feeder and digging the water hole. I plan to save for college. Thank you for your support!
