### **Description**

Here is my Red Angus Steer that is from our own herd. I have named him WJ (Wesley Jr!) This is my 4th year in the beef project area and 3rd year showing a market steer. I enjoy having beef and watching them grow and figuring out how much it costs to feed them. This year I am watching the markets with my dad.

I belong to the Gordon Valley 4H club and it is my 4th year in 4H with another 3 years as a Cloverbud. I really like being in 4H as there is a lot of fun things to learn and try. One new project area I tried this year was Welding. One of my favorite programs is the Quilt of Valor. I have made two quilts and given them to area veterans.

I will be starting the 6th grade at Kennedy Rural School this fall.
