### **Description**

This years Market Steer is a 1,163 pound teddy bear. His name is Red Man and I love how he is always content and seems relaxed. He has a good build and I like the way he finished in the hind end and has depth in his ribs. He was born March 26, 2019, his sire is from Man Amongst Boys and is part of Walking X Cattle Craig O'Kief. Red Man has helped me become more confident working with 4h calves. This year I have had to become much more independent and a leader since this is the first year my older brother hasn't shown calves. That makes me next in line to show the younger, more inexperienced 4hers what to do. Red Mad made that easier with his good temperament.
