Description

Three years ago I would not have imagined doing 4-H or having the opportunities I now have. As you have probably guessed, this will be my third year showing cattle. This year I will be showing Bronco, my market steer, Philip, my stock feeder, and Dwight, my other stock feeder. So far every year my animals have had some sort of silly name such as my first stock feeder Bubbles. With 4-H you are given many responsibilities and learn many lessons. I like to think that's one of the reasons I like it so much because not only do I get to spend time working with animals, I get to learn new things every day.
