Description

This is my first market steer Buddy. He is 3/4 Angus and 1/4 Simmental. I picked him out of my grandparents' herd in April. He loves to be rinsed and brushed and has only gotten away from me once. The biggest thing I have learned is to be calm but strong when working with cattle. I like all the work it takes to have a market steer but I don't like to wake up early to do the chores. I am already looking forward to next year's steer.
