Description

Hi, my name is Kate and this is my 6th year in 4-H and my 4th year showing market hogs. I am pleased to offer for sale 1 Market Barrow Hog. He is a Black Spot hog and I am very happy with his muscle condition and depth. I have shown this breed in the past and my family is always very happy with the amount of pork this breed produces. Lean pork to fill your freezer!

I enjoy showing hogs because they are very trainable, like a dog. He loves marshmallows!

I use the money, from selling my animals, to reinvest into next year's project. I purchase my young hogs from a breeder near Albion, but this year I am considering purchasing a bred sow from him to raise my own show hogs from birth to butcher!

4-H has taught me so many skills and I am growing as a leader, entrepreneur, and innovator. I appreciate your support for the Cherry County 4-H youth.
