### **Description**

This is my first year in 4-H and my first year showing a Market Barrow Hog. His name is Blackie, and I have really enjoyed working with him. He is a really nice Black Spot hog and I think he will make great bacon!

This project has taught me how to train my hog to get him to go where I want, and the importance of feed and water to animals.

Blackie's favorite this is being scratched on the head and eating marshmallows.

4-H is teaching me so many important skills and I appreciate your support for the Cherry County 4-H youth.
