### **Description**

Hello my name is Addison Stec. First of all, I want to thank you for visiting my lot. My pig is a crossbred barrow. He was born in January on a farm in Columbus Nebraska owned by Tyler Runge with Runge Showstock. His name is Rocky and he is very fun to walk and bathe! I have managed his diet on 18% protein and later on have adjusted it with steam rolled oats, and other supplements to optimize his growth. I love working with Rocky every day. I want to thank you again for your support with my 4-H project!
