### **Description**

Hi! My name is Addison Stec. Thank you so much for supporting 4-H, that means a lot to me. I have a crossbred barrow. We bought him on a farm in Columbus Nebraska owned by Tyler Runge with Runge Showstock. My pig's name is Otis. I named him Otis because he has a lot of circle patterns and o's on his back. (He is so cute!) I enjoy walking and bathing my pig. He loves his belly rubs! I feed him 18% protein and later on we added steam rolled oats and other supplements to optimize his growth.

Again, thank you so much for your support and time. We really appreciate everything. Thank you.

Addison
