Description

Here is one of my pigs this year. I really like to raise pigs and watch them play in the mud. I also like bacon and pork chops! Someday, I think I would like to raise a herd of pigs along with a herd of cows. I like animals and think that I will do something with them as a job or owner of a herd and a ranch.

I am going into the 6th grade at Kennedy Rural school this fall. I have been in 4H for 4 years with another 3 years as a Cloverbud. I really like 4H as there are many fun things to learn about. This year a new project area I tried was welding. One of the project area I enjoy the best is the Quilts of Valor. I have made 2 quilts and given them to area veterans.

Please support the Cherry County 4Her's through the on line auction this year. I can be reached for questions at 402-322-0817 or Eve Millar at 402-389-0119. I thank you in advance for your interest and support.

Just a note: Valentine Locker and Husker Meats, of Ainsworth, have dates and time set aside for animal processing.
