County Lake

Animal Weight (in Pounds) 1252

Date of Reported Weight 09/04/2020

City Lower Lake

Description

Hi , My Name is Cole Hayes, I am 16 years old and will be entering 11th grade with Compass Home Schooling this fall. This is my 12th year in Anderson Marsh 4-H. I am currently serving my 4th term as Treasurer and this fall, I will be assuming the office of President in my club as well as Treasurer. In the past I have been Sergeant of Arms, Historian and ran the club store. I am also the club council rep. My leadership star ranks are Bronze, Silver, Gold and Emerald. I'm currently working on my All Star. To earn the star the applicant has to plan and oversee an event within the community. The All Star is the highest level of leadership a 4-H member can earn at the County level. For my event I decided to do a Livestock Field Day, which will be held on September 26 at Oak Creek Ranch in Lower Lake. I am also a member of the Citizenship and Leadership Project. I have traveled to Washington D.C., New York, Philadelphia and Boston, also leadership conference's across California. Through the citizenship and leadership project myself and three other members would have been attending the 2021 Presidential Inauguration in person if not for Covid/19.

This is my 7th year raising market livestock for the Lake County Fair. I have raised one market swine and one market steer. I got my steer, Lincoln, back in November at the Northern Exposure Cattle Classic in Corning. I put five and a half months into Lincoln before Covid/19 hit California and I have spent most of this summer raising him. Rinsing him every 30 minutes if it is over 90 degrees, washing him every three to four days and working with him every other day. In the past I have raised meat goats, chickens, dairy goats, turkeys, a horse and ducks. I Live in Lower Lake with my Mom, Dad and sister and my hobbies outside of 4-H includes Archery, Shooting sports, Fishing and Hunting.

Lincoln is a Blue Roan, Cross Breed. With great muscle shape, a wide chest and a nice fat cover to give you an over all great product.

As of 7/29/2020 he weighted 1,300 lbs. which is max pay for steers at auction. So, you will definitely be getting your moneys worth.
