Description

Hi, my name is Justin Hiatt. I am a senior at Clear Lake High School, and this will be my final year raising a steer for the Jr. Livestock Auction. My steer, Flynn, is a Black Angus Hereford cross. He was born and raised on my family's ranch. I enjoy ranching, welding, football, hunting, and fishing. Over the years, 4H and raising steers has taught me that hard work pays off. I have used the money I've earned from raising steers to start my own commercial cattle herd, JH Cattle Company. I currently have 10 cows and 8 calves. Thank you so much for your support!
