### **Description**

Harper Moreno is 16 years old and a Junior at Middletown High School. Harper has been active in FFA for the last two years, working towards her American Degree, she raised two market hogs last year and this year she's excited to offer one market hog named "Pip" and one commercial grade steer named "Bean". When she isn't busy working with her market projects, Harper can be found tending to her honey bees at the school apiary. An avid student, Harper maintains a 4.0+ GPA while also being a vital member of the Middletown's High School Varsity Girls Soccer team during the Fall and the Varsity Softball Team in the Spring. Harper is an artist, an athlete, and a scholar with her sights set on one day attending medical school to pursue her dream of becoming a world renowned neurosurgeon. The money that Harper earns from selling her market projects will be invested into her final market project next year and ultimately after graduation the money she earned will be put towards college expenses.
