**Description**

My name is Madison Renfro. I am 12 years old. I am a member of Scott's Valley 4-H. Outside of 4-H, I enjoy playing volleyball, basketball and softball for the Mountain Vista Lancers. I also enjoy showing my Horses. This is my first year doing a market steer project. I have really enjoyed learning about feeds and working with my steer. His name is Batman. I named him that since has giant ears! I'm looking forward to the steer show and auction.
