Description

My name is Bentley Carter and I am 10 years old. This is my first year as a member of the Big Valley 4-H Club in Kelseyville. This is also my first year raising market goats for the Lake County Fair Auction. I was at the birth of "Honeymoon" on March 6, 2020 and had the responsibility handfeeding from birth to now. When it was time to wean, I fed grain three times daily. I always gave a little treat of hay after the morning walk.

I have had a lot of time to dedicate to my project this summer as we have been at home from social distancing. I have learned a lot about my market goats with how to lead them, brace them for the show, and how to fit them. I also learned a lot about patience this year. I found that if I sat still and talked to Honeymoon she settled down and

got to know me and waiting to go on walks with me.

We started a routine to walk and run three times a day. We walked to the next Vineyard and then we would run back. My Grandpa also came over and taught me how to make jumps and a ramp in my goat pen. They LOVED jumping every day! I also made them a special house and painted it my favorite colors, bright purple and pink!

I am already making plans for this Fall when I will be in the 4th Grade. I am planning on adding more projects for 2021.

Thank you for supporting youth members!
