Description

Hi, my name is Aimee and this is my steer Patrick. I am secretary of the 2020 Upper Lake 4H club. This is my first year doing a steer. Patrick has participated in multiple livestock shows; he has always received a top five finish in his market class.

He is 16 months old and weighs 1280 pounds. Patrick was bought at the Northern Exposure sale from the Sweats Family Ranch in Oregon.

Patrick loves to eat! He eats a mixture of Precon, ThrottleUp, and Cruiser 2 twice a day.

Patrick and I have made great memories throughout the year.
