### **Description**

My name is Bentley Carter and this is my first year in 4-H and raising a market goat. I raised and cared for my market goats with a lot of blood, sweat and tears. I loved every moment. My goat project has taught me a lot.

I was at the birth of "Carmel" on March 22, 2020 and helped dry him off. I also had the responsibility of caring for and handfeeding him from birth. When it was time to wean, I fed him three times daily with Lamb Slam that I purchased from Rainbow Ag. I always gave a little treat of hay after the morning walk.

I have had a lot of time to dedicate to my project this summer as we have been at home from social distancing. I have learned a lot about my market goats with how to lead them, brace them for the show, and

how to fit them.

We started a routine to walk and run three times a day. We walked to the next Vineyard and then we would run back. My Grandpa also came over and taught me how to make jumps and a ramp in my goat pen. They LOVED jumping every day!

I am already making plans for this Fall when I will be in the 4th Grade. I like being a member of Big Valley 4-H and would like to add more projects in 2021.
