### **Description**

Hello,

My name is Bradley Sneathen. I am a Junior at Upper Lake High School and this is my 3rd year of being part of the Upper Lake FFA. This is my second year raising a steer. My steer's name is Kobe and weighs approximately 1300 lbs. I have really enjoyed raising Kobe because he has taught me responsibility by taking care of him daily for the past 8 months. I think he has what it takes to be at the top of his market class.

I have also been involved with Upper Lake 4H for the past 6 years and have been a counselor at the 4H camp for the past 2 years. I enjoy being a tri-athlete with football, wrestling, and baseball every year. My goal is to save the money that I get from my FFA projects and put it towards college and start a career as a Chiropractor.

**Quantity:** 1300
