Description

Hi, my name is Haleigh Ford I am apart of the Upper Lake FFA and this year is my first Year raising a market animal. I am a Junior at Upper Lake High School. There are many things I enjoy but the thing I most enjoy is taking care of and being around my animals. I have enjoyed raising my market goat, Knox. They have taught me hard work and responsibility. Even though I have not been apart of my FFA chapter for very long I have still learned very important leadership skills that will stick with me throughout my life. I am using the fair project funds to save up for college, to be able to work in the field of Veterinarian Medicine. Thank you very much for your support.
