Date of Reported Weight 09/04/2020

City Upper Lake

Description

Hi my name is Cristen Swaney. This is Elvis, my first market steer. He is a gentail giant who loves food, running though the yard, and trying to lick my pants. I have spent the last nine months caring for him on my small family farm along with my market lamb Freddie. He has been on a steady diet of rival beast, hay, and supplemented by precon. This is my third time raising animals for the lake county fair. I am a senior and currently a member of the Upper Lake FFA and have been throughout high school. A long with being on the officer team for two previous years. Thank you bidders for coming to my page. Elvis and I appreciate it!

Quantity: 1268
