Description

Hi,

My name is Samantha Van der Weken, but people call me "Sam." I am 12 years old and I am in 7th grade at Upper Lake Middle School. This is my second year in 4-H, and my first year showing a market steer. I chose to raise a market steer because I wanted a challenge. It was challenging but I learned to have patience and to not give up! Working with Ferdinand was difficult but in the end it was worth it because we bonded and he is a great market steer. I am excited to see him shine in the show ring. He will be over 1,300 pounds at auction so his buyer will get some extra beef!

Quantity: 1287
