Description

Hi, my name is Coen Noble, and I am 11 years old and in the 6th grade at Upper Lake Middle School. This is my second year in the Upper Lake 4-h club and my 2nd year raising sheep to take to the Lake County Livestock auction. This year I have 2 lambs, named Bell and B.H, they are both Ewe's. I feed them grain called Lamb Slamb made by show rite. My neighbors who also happen to be my cousins are who have inspired me to raise lambs, they have been taking animals to auction for many years. I really enjoy the experience and hard work of taking care of animals. It seems like every year is a little different and more and more things to learn about raising animals. This year will be completely different with the new challenges we face, but I am excited to learn the new procedures and hope that I will be successful with my market lambs.
