Description

My name is Ruby Wurm. I am a freshman at Upper Lake High School. I belong to Upper Lake 4-H where I have held both the president and vice president positions. This is my third year raising and showing steers. This steer Mack Daddy and I were a great team in and out of the ring. We have achieved many accomplishments together. He will always have a special place in my heart. My fondest memory is from our last show when we won a belt buckle for Grand Champion and also Grand Champion Heavy Weight in market. Mack Daddy is a Black Angus cross and was purchased from Jake McDonald at the Northern Exposure sale. Thank you for considering supporting me!
