Description

Hi my name is Abby Tucker and this is my hog Oscar. I am 16 years old and have been in the Anderson Marsh 4-H Club for 11 years. I just completed the tenth grade at Lower Lake High School. In my free time I enjoy dancing, singing, musical productions, taking pictures, 4-H, FFA, and spending time with my animals. I love 4-H because it has taught me how to act responsibly and how to lead others. This year in 4-H I will be holding the office of Vice President. The money that I earn from this sale will be used for my college fund and to help me fund my swine project next year.
