**Description**

Hi,

My name is Angelina Van der Weken and I am 18 years old. I am a senior at Upper Lake High School. This is my 6th year raising and showing lambs. I have a breeding project with 6 ewes that I've been working on for the last 5 years. This year I only had 4 lambs because 2 of my ewes didn't take and one of my ewes had a set of twins that didn't make it. My other ewes had 2 successful sets of twins that have developed nicely. I am bringing 2 weathers to the fair and keeping their sisters for breeding. This was a challenging year for me but I am pleased with how my weathers have developed and I am looking forward to showin. This ismy market lamb Jack.

**Quantity:** 140
